# The Week of the Airedale

by Manitoba Airedalers

On a cool frosty morning in April, three intrepid travelers embarked on an adventure to the week of the Airedale in St. Louis, Missouri.

After an uneventful trip we arrived to see the upland game test and were warmly greeted by the hunting/working committee.

The Airedales did not let us down – using their imagination and indomitable spirit they showed us many ways to retrieve ducks. Each and everyone greeted the “gunner” hidden in the bush, and many retrieved their duck from the bucket beside the handler. (Put here for disposing of the retrieved ducks). They appeared to hope that these ducks were fresher than the cold, limp ones thrown out of the bushes. (Most of the Airedales went to check these ducks out, but decided they were not worth bringing home).

The next day on to the water retrieve. We were given a bird's eye view, as the hunting/working committee suggested a perch on an outcropping in the middle of the water. We were able to observe the many ways an Airedale outsmarts his handler and avoids swimming a long distance in very cold water. We did learn the etiquette of the hunting trials from the judge.

“Not to clap when an Airedale retrieves a bird.” One dog insisted on going three times on the short retrieve, and each time he brought his handler a duck. (Obviously left by some other Airedale who had other things in mind.) We thought this Airedale should get extra points, but apparently not. He was supposed to do what his handler told him, even if the handler wanted him to swim way across the water to get the next one, when there were two perfectly good ones much closer to home.

The next day the agility dogs had fun and with enthusiasm “did it their way.”

The weather was now warming up and so were the obedience dogs. As the judge and spectator were entertained by the true Airedale temperament. We watched dog after dog interpret the obedience rules to their own standard.

The highlight of the rescue dogs was “Patch Adams” – the most photographed Airedale at 119 pounds.

The true spirit of the week of the Airedale was the group photo, on the hill, of all participants – man, woman and beast- large and small – hairy and groomed – taken each day. Whether show dog, rescue dog, or working dog – not a growl was heard in the mass confusion of getting the picture.

The hospitality was a continual except for the cruise with a boat that didn't move and the tour of the Purina

Research Centre that didn't provide the hayride we'd been watching all week – and waiting our turn – instead we climbed hill after hill.

In true Airedale spirit – we participated in the whole week of the Airedale – even the tracking event – where Columbia and Bailey showed they could track – but didn't appreciate the dead, smelly “road kill” provided at the end. They said, “In Canada, our raccoons are alive.”

We spent one day as real “tourists” and found the Airedale antique shop in old St. Charles – that has two resident Airedales. The area was lovely –lots to see- and we especially enjoyed the AKC dog museum.

After witnessing the Airedale temperament- and the neat folks who own them – we know why we've been participating in Airedale events for 30 years.

Kudos to the hard work of the committee who organized the event. Our heartfelt thanks and appreciation for their dedication to the breed we all enjoy.

We expected to see more Canadians at this once in a lifetime event - but only Helen Arnold and we Manitobans represented Western Canada, with Pat Reed, Debbie Klemp and Joan Clark representing the East.

Happy Airedaleing from

## The Airedale Terrier Club of Canada - FYI

To All ATCC Members,

On behalf of the Airedale Terrier Club of Canada and the executive we would like to take this opportunity to express our thanks to everyone for their membership with us, without you we wouldn't have 4 legs to stand on. A particularly big thanks goes to our Honorary Members for their years and years of dedication to this club. The Club has been using Membership cards to show receipt of dues paid and also identification of membership. We have found over the years that these cards really serve no purpose so this year will be our last for mailing out Membership cards. We will include a line on our Renewal Forms that will allow you to request a card if you wish one.

To ensure everyone gets the club mailings and current Membership rosters with all the up to date addresses etc. we will also be adding a final due date of March 31 of the Renewal year for Renewal fees. The King's Herald goes out in the spring, as does the Membership Roster. We are hoping this will streamline things for mailing as well. Fees are due Feb.15 of the renewal year. If after March 31 we have not received renewal fees those names will be removed from the roster and anyone wishing to renew will have to re-apply. We hope this saves a lot of nagging on my part.

spouses names of the Honorary Life Members into the Membership Table. If you could make mention in the King's Herald that we will now be honoring the spouses and list the Members with their spouses

Again a big thanks to everyone, it takes devoted members like you and a lot of co-ordinated efforts by all to make this club the success it is.

Yours truly,  
Terry Stiles  
ATCC Membership Chairperson

## Advice for Women:

If you want someone who will bring you the paper without first tearing it apart to remove the sports section, buy a dog.

If you want someone willing to make a fool of himself simply over the joy of seeing you, buy a dog.

If you want someone who will eat whatever you put in front of him and never says its not quite as good as his mother made it, buy a dog.

If you want someone always willing to go out, at any hour, for as long and wherever you want, buy a dog.

If you want someone to scare away burglars, without a lethal weapon which terrifies you and endangers the lives of your family and all the neighbors, buy a dog.

If you want someone who will never touch the remote, doesn't give a damn about football, and can sit next to you as you watch romantic movies, buy a dog.

If you want someone who is content to get up on your bed just to warm your feet and whom you can push off if he snores, buy a dog.

If you want someone who never criticizes what you do, doesn't care if you are pretty or ugly, fat or thin, young or old, with breasts or without, who acts as if every word you say is especially worthy of listening to, and loves you unconditionally, perpetually, buy a dog.

But, on the other hand, If you want someone who will never come when you call, ignores you totally when you come home, leaves hair all over the place, walks all over you, runs around all night, only comes home to eat and sleep, and acts as if your entire existence is solely to ensure his happiness, Buy a cat.

(Any resemblance to a man is purely coincidental)

\*\*\*\*\*

Rules for non pet owners who visit and like to complain about our pets.

1. The dog lives here. You don't.
2. If you don't want dog hair on your clothes, stay off the furniture.
3. I like my dog a lot better than I like most people.
4. To you, she's a dog. To me, she's an adopted daughter who is short, hairy, walks on all fours and doesn't speak clearly.
5. \*\*Dogs are better than kids. They eat less, don't ask for money all the time, are easier to train, usually come when called, never drive your car, don't hang out with drug-using friends, don't smoke or drink, don't worry about buying the latest fashions, don't wear your clothes, don't need a gazillion dollars for college, and if they get pregnant, you can sell the pups.

## ARE YOU ADDICTED TO DOGS?

(Keep track of how many apply to you)

1. You own more leashes than belts.
2. You can't understand why heads snap around at work when you discuss your bitch.
3. All your clothes have plastic bags in the pockets.
4. Your dogs have more — and better! — toys than you do.
5. You think it's completely normal to discuss your dog's stools at the dinner table.
6. You select a new vehicle solely on its suitability for carrying your dogs and their gear.
7. Your mattress is old enough to vote, but your dogs get brand-new beds every Christmas.
8. You watch "Letterman" only on Stupid Pet Trick night.
9. You have no photos of your spouse in your wallet — just the dogs.
10. Your dog's shampoo: \$18.00 a bottle, plus \$5.00 for second-day air shipment. Your shampoo: Whatever's on sale.
11. You never bother to wash your hands after petting the dog even before eating.
12. You expect to find a little dog hair in each meal and think of it as "added fiber."
13. You wake up instantly when your dog whines, but never wake up when someone calls your name or your alarm goes off.
14. You will rush your dog to the vet at the smallest injury or cough, but wait to take yourself to the doctor until it is really severe.
15. You are willing to get up and walk the puppy at any time of night with a cheerful "good dog," but grumble and complain when someone calls you in the middle of the night.
16. You know peoples' dogs' names before you know theirs. And when you talk about someone it goes like this: "You know the person that owns the sable GSD really got some good advice from the person with the corgi..."
17. Your entire wardrobe is covered in dog hair. You still find dog hair even when you have been away from dogs for months.
18. You notice the breed of someone's dog, but don't even notice if the person who had the dog was male or female.
19. New puppies cause "Oh, isn't he so cute. He sure has grown recently. How adorable!" but human children only get "What a cute new puppy in the family."
20. You talk to people in short phrases: "Billy come," "Joe Sit." "Watch me," "good boy!"
21. When someone does something that pleases you are inclined to reach in your pocket for a piece of food as a reward.
22. You feel the urge to put slip chains on people when they misbehave.
23. You ask old friends about their dogs before you ask about the family.
24. You send out Christmas pictures of the dog, not the family.
25. When you are away from home you call to ask about the dog.
26. You ask pregnant women when they are due to whelp.
27. When you are talking you have the urge to spell out cue words that your dog reacts to like "W\_A\_L\_K" and "O\_U\_T" whenever they are used in a sentence, even if the dog is not around.
28. You open all doors cautiously to make sure the dog doesn't run out, even when visiting people who have no dogs.
29. Dog related activities dictate your weekends and evenings.
30. You own more dog training videos than all other videos combined.
31. You own more dog training books than all other books combined.
32. Your dog's brushes and combs sit next to your own.
33. Your dog has a wardrobe as large as your own.
34. You have more pictures of your dogs on the walls of your house than of your human family, or the dog is included in all family photos.
35. You greet your dogs before you greet the rest of the family when you have been gone.
36. Your dog's food costs more in one month than your own.
37. You celebrate your dog's birthday by giving your dog presents & cake and have their "friends" come over for a party.
38. Your dog receives a stocking at Christmas.
39. Your favorite stores to go to are pet stores, because your dog is welcome to come in.
40. You hate people that beg, because they just can't get that innocent look like your dog.
41. Your dog has more toys than your children.
42. Your phone bill is full of calls to your dog's groomer, breeder, trainer, show handler, hotel reservations for dog shows, dog show friends, other dog people, etc.
43. Every conversation you have tends to turn to the topic of dogs.
44. If you had a choice between living with your spouse and your dog, you would choose the dog.
45. You spend more time at work reading dog related e-mail than you do actually working.
46. The initials DHLF, AKC, CHD, PRA, CERF, ARBA, BOB, BIS, BOS, BOV, CD, CDX, OTCH, EDX, JH, MH, LCX, etc. are common abbreviations in your vocabulary
47. You can recognize more than 100 breeds of dogs on sight.
48. Westminster Dog show on TV takes all precedence over any other program during the dates it is on.
49. You are subscribed to two or more dog related magazines and eagerly await their arrival.
50. You feel the urge to neuter or spay anyone who mistreats their dogs, or allows their dogs to run loose, or who doesn't spay/neuter their dogs.

### Scoring:

0-5: Get rid of your dog, you really must not enjoy them much.

6-15: You are amused by your dog.

16-25: You really enjoy the company of dogs.

26-35: You are hooked on dogs.

36-45: You are beginning to resemble your dog.

46-50: Your dog lives a better life than you do.

For those Agility fanatics, a prize and rosette will be awarded to the combined High Qualifying Score by an Airedale in the Agility Trials 1 and 2 held in conjunction with the Alberta Kennel Club Show on Sunday, August 3. I understand that there are 3 days of agility trials over the weekend.

The premium lists will be mailed by May 15 to ATCC members, handlers, ATCA members in the mid-west and Pacific Northwest, previous exhibitors at the Alberta Kennel Club and All Terrier Club of Alberta shows. Again, a flyer will be included with the mailing which we hope will encourage people to advertise in our catalogue

The headquarter hotel is the Best Western Village Park Inn, 1804 Crowchild Trail NW, Calgary - phone (403) 289-0241, fax (403) 289-4645. This facility is about a 5-10 minute drive to the show site. A block of rooms have been reserved. The block will be released on Wednesday July 9, so we encourage competitors to book rooms early. The hotel will make every effort to have exhibitors with dogs on the ground floor with access to the rooms from the parking lot. Grooming tents are available at the show site.

We have a weekend of hospitality planned, starting with a Western Welcome cocktail reception and silent auction hosted by the Calgary Airedale Association at the headquarters hotel on Friday, August 1. A Specialty Dinner will be held on Saturday, August 2 at the home of Helen Arnold. We will have a number of door prizes and raffle items available. We hope that the Specialty Judge, Jane Harvey, and the Sweeps Judge, Elaine Zemaitis, will be available to provide a critique.

Elaine Zemaitis indicated that a copy of the 'King of Terrier' print might be available to the show to be included in the raffle. If the offer is still open, perhaps Don and Valerie could bring it with them.

We want to thank Adkinson's for volunteering to bring out the trophies for the National Specialty. We are excited that they are coming for the event, and are particularly appreciative of their support. This will be first time that many Airedale enthusiasts in Western Canada have had an opportunity to see the National trophies.

We hope that everyone is praying to the 'weather gods' for a sunny, warm Alberta weekend!

• **2002 Auditor Report**

I have been provided with the Club's books and related financial statements for review for the Club's Annual General Meeting .

I have cross-checked income (revenue) to expenses (bills and accounts paid) and find them to be correct.

It is my opinion that the books as presented by the Treasurer are an accurate reflection of the Club's financial position and are true and correct.

ATCC Protocol For Boosters

(Draft # 2 - Nov/02)

ATCC Boosters may be held in all Regions following application for such being approved by a majority vote at a General Meeting of the ATCC.

A hard copy request for a booster show should be submitted to the Secretary of the ATCC by December of the year preceding the booster show date.

The Regional Director should submit the request for the booster and provide a suggested date and show giving club to the ATCC.

We would prefer that the show giving club offer an obedience trial as well as conformation.

Upon approval from the ATCC, the Regional Director and/or his representative should approach the show giving club for the list of approved judges, and select the day on which to hold the booster.

The Regional Director and/or his representative will act as co-ordinator between the show club and the ATCC and provide the necessary information for the show premium list, catalogues etc.

Immediately following the event closing date, the Regional Director or designate will request the Airedale Terrier entry breakdown for both conformation and obedience from the show secretary and forward same to the Trophy Chair of the ATCC.

The ATCC would provide "keeper" trophies to the co-ordinator (the Regional Director or representative) of the Booster and would expect to receive any and all rebate funds, a premium list, a schedule, and marked catalogue with Airedale Terrier show results for the club's statistics and newsletter.

Financial and other reports to the ATCC are the responsibility of the

Regional Director.

All expense receipts for reasonable expenses should be submitted to the treasurer of the ATCC for reimbursement.

It is expected that these events will be financially self supporting.

The number of ATCC booster shows per region will be at the discretion of the executive.

The executive will encourage the holding of booster shows in all regions across Canada.

ATCC Ontario Directors Report for 2002

Numbers can be very interesting and also very boring all at the same time, while scanning the ATCC latest membership list I realized that the majority of our ATCC members are from Ontario, of our 139 members, 93 are from Ontario, and that all of the honorary life members started their Airedale Terrier career here in Ontario. What a great wealth of knowledge and Airedale history is available to us from these mentors, new members should seek advice from these knowledgeable persons. I'm sure many of them would love to share their stories and past adventures and trials. I also thought about the number of hours spent grooming and training, travelling to shows and trials, wins and losses that have accumulated over the years and could not even hazard a guess as to what it might be. We try hard to continue in their footsteps, to lean on their experiences and grow in knowledge and understanding of this great breed we all love.

Our general impression is that the show and trials attendance was down slightly during 2002, it goes without saying that the quality remains extremely high, bred to standard, groomed to perfection, conditioned as an Airedale should be. It was stated recently that the Airedale Terrier presented in the rings with pride by our Ontario and other Canadian competitors could win anywhere.

There was considerable Ontario Airedale activity in the rings stateside during 2002. Earning an American CD title was Ch Westchester Traymar Hot Stuff, out of Ch Westchester Traymar Warlock ex Westchester Traymar Lady in Red.

The following Airedale Terriers were new American Champions during 2002:

Debonaire Porsche's Carrere, Ch. Traymar Knot Guilty ex Stone Ridge

Jolee Aire Porsche, CD. Breeder/Owner Debbie Klemp.

Valdonaire Kings Ransom, Ch. Brislines House Special ex Valdonaire Sirjam Fantastic, Breeder/Owner Valerie and Sheila Adkinson

Inglevalley Mask of Zorro: Inglevalley Royal Crown Jewels ex Victorienne Inglevalley Girl, Owner D and J Spendolini and Marion A Murray-Domanski Breeder Anne V Curtis.

Northcote's Madam Justice, Ch. Kingaire Northcote Iceman ex Ch. Northcote No More Heartache, Breeder/Owner Terri Alloway. Co Breeder Esther O'Connor

#### EVENTS held in Ontario during 2002

Two booster shows were held in 2002, one in August with the Trio Kennel Club and our fall booster held with the Caledon Kennel Club in late November, obedience trials are offered at both these shows.

Fun day held in September changed venues this year, we were invited to Pat and John Neill's farm in Tottenham for the event. Fly ball demonstrations were enjoyed by everyone, including the Airedales that attempted to run the course. The ever popular costume competition was hotly contested and the bar b que was delicious.

The 2002 ATCC National Specialty Show was hosted by the K/W Kennel Club in May was very well attended, with our own Lotus Tutton judging the show and Carole Kane judging the Sweeps. All the above events have been reported elsewhere so I will not repeat the results here.

I really encourage all Airedale lovers/owners to attend the National Annual Specialty Show. The 2003 National Specialty show will be in Calgary in August (some of us are lucky enough to be going) but will return to Ontario in 2004. Come out and see our handsome, beautifully groomed Airedale Terriers, feel the excitement, join us in the obedience rings and the confirmation rings, join us for the dinner and the auction, we would welcome you with open arms. Introduce yourself, please don't be shy. Information can be found in the King's Herald. Plan on it for next year, COME and enjoy your club at it's best.

Regards

Valerie Adkinson

Pip Smith – reported from BC – Unfortunately there is absolutely NOTHING happening with Airedales here in BC right now.

Julie Trottier – reported from Quebec

Hello everyone

I am sorry that I cannot be with you for the annual general meeting. I am on the show site but preparing for the Border Terrier Club of Ontario specialty.

My director report will be short. First, I would like to thank you for having allowed me to publish breedlines in Dogs in Canada. The texts were sent and four will be published this year.

There are a handful of ATCC members in Quebec. Members/breeders like Louis, Johanne, Ginette, Yvon, Andre and myself are spread out across the province. Distance makes it difficult for us to meet on a regular basis so we communicate by telephone or e-mail. Even so, I would like to request the authorization of the board to hold an ATCC booster in November 2004 at the United Kennel Club Inc. dog show. There has been a terrier specialty at this event, which is held in Montreal, for several years. I am convinced that the other ATCC members in Quebec would work with me to make the booster a success.

The Airedale Terrier Club of Canada  
Obedience Report for the year 2002

I would like to congratulate all the Airedale Terriers whom were awarded new Obedience Titles in 2002 – a job well done. In reviewing the official sections of Dogs in Canada it is a delight to see Airedales qualifying in all levels of obedience. I also notice that more Airedales are obtaining Agility, Flyball and other titles proving the old saying "...an Airedale can do anything they want to do".

I would like to congratulate the top 5 Obedience Airedales for 2002 – A special congratulations to Sheena & Toast for their repeat performance as #1 Airedale Terrier.

• Newsletter - King's Herald

The last year has again been busy for the King's Herald Staff (such as we are!). Once again, Pam Sheane has outdone herself in producing the King's Herald, the title holders publication and the stud dog and bitch issues. As set out in the attached letter to Debbie Klemp, the cost per issue of the King's Herald is about \$1.84. This is down from previous years, mainly due to the reduced expense from switching printing to Office Depot. (Original letter and receipts will be mailed to Debbie).

In addition to the newsletter, we have also produced the membership rosters as well as the informational brochure. A portion of those expenses were donated by Talisman Energy, which also helped keep costs down. The newsletter is also available online for those members who like an electronic version at

<http://www.angelfire.com/ab7/airedale/KingsHeraldwinter2003.pdf>

It is a very large file and a little unwieldy at times.

Plans in 2003 are for an issues in early June, which will contain the title holders, and one in the fall. New Member Rosters will be mailed with June issue.

Generally, we get very positive feedback from the members on the newsletter

• Specialty Show 2003

2003 Specialty

Plans are well underway for the 2003 Specialty to be held in Calgary on August 2. We have a good panel of judges, a good variety of classes including sweepstakes, obedience, conformation and, in conjunction with the Alberta Kennel Club, agility. A notice of the specialty and request for advertising were sent to all club members with the last King's Herald. The premium list should be available within the next few days and will be mailed before the end of May. Included in that mailing will be more information on hospitality, the host hotel, advertising, raffle and other forms of fund raising. We hope there will be something for everybody at this show. We think it will be an exciting weekend and hope for a good entry.

• Specialty Show 2004

Roy reported that the National Specialty will be held in conjunction with the Kitchener Kennel Club in 2004. Our judge is from Great Britain – they are knowledgeable in terriers and have judged at Crufts. We will need CKC approval prior to announcing their name.

Motion to accept all of the above reports made by Pat Neill. Seconded by Don Adkinson. All in favour.

4. Old Business

No old business.

5. New Business

A thank you card was received from Terrier Breeders Association of Canada for the ATCC's donation of the Best of Breed and Best Puppy trophies for their specialty.

We received a cheque from the Kitchener Club thanking us for our support of their show by having our specialty with them. Their gate exceed their expectations and therefore decided to donate a portion of that money to the clubs who hold specialities with them.

Liz Mattison had sent a thank you card for our donation of the Best of Winners trophy for the Airedale Terrier Club of America's floating specialty that was held in St Louis in early April. Liz won BOW and sent a picture of the one of a kind trophy that she won that was made by Joanna Vos. Note – Best of Winners was handled at breed by our own Debbie Klemp. Well done Debbie!!

The renewal for the Dogs Annual was received and will be updated and returned.

Pat was actioned to ask Terry Stiles to compile a list of our library reference items and have the list published in the next King's Herald.

John Ross informed the members that he has a copy of the Crufts tape for 2003 and will be donating this to the club. Thanks very much John for your generous donation.

All the ATCC members would like to extend a special thanks to Helen Arnold and Pam Sheane for their tireless work on the King's Herald. You both have done a wonderful job with our newsletter and we would like to express our thanks to you for all your hard work.

Pat Neill offered to host Fun Day for the ATCC once again. Thanks for your kind offer Pat. Elaine will get back to you regarding your offer.

Ginette Miron and Anna Mason informed the members that they would be interested in hosting a floating specialty in conjunction with the Rideau Terrier Club in 2004. As this is an Ontario show, Anna will speak with Val.

## Puppy Sweepstakes

### Elaine Zemaitis

I was honored to judge the Sweepstakes and thrilled to see such a lovely parade of promising youngsters.

The first pup to enter the ring was an omen of the good things to come. While he was still very much a baby, he had a lovely little body, pretty head, good colour and was a strong solid mover. This youngster will be interesting to watch in the future!

For the most part this little fellow was a good representation of the youngsters shown in the sweepstakes. I was pleased with the lovely heads, good planes and small dark eyes, good bites. The dogs were fairly consistent in colouring and size, and the overall the quality was above average.

A few of the dogs were in their "lanky stage". They needed more substance and body, but once the ribs have sprung, chest dropped and a few pounds of muscle and weight are added, they will be contenders. The important features were all in place, they all had lovely brick heads and well balanced profiles, with nice lines and good tail sets.

I saw lovely rears, with good substance behind the tail. There was only one little bottom that needed more butt behind the tail.

I was pleased to see that the pups were happy to be in the ring. There is nothing sadder than to see a lovely dog who cowers with apprehension. I would much rather see youngsters frustrate their handlers with their enthusiasm! I would ask members to please build upon this strength. Find what makes them happy and keep them happy! I still smile when I think of the young bitch who was baiting for a flower! Her owner had found what worked! Encourage your youngster to have a good time, to be outgoing and present them to Judges who will appreciate these

qualities and handle them with the gentle care and humor that our youngsters deserve.

When all the first place winners returned to the ring for my final decision, I was pleased to see the consistency of type. I have always enjoyed seeing the King of Terriers spar and so I invited the finalists to come out in pairs and threesomes to spar.

The youngsters rose to the task. Some came out for a friendly hello, others to strut their stuff and show off those nice long necks. This is an opportunity to see the REAL dog, so please give your youngsters an opportunity to try this under SAFE supervision. It should always be a positive experience, preferably with an older dog of the opposite sex, that is well known for a playful, non-aggressive behavior. You never know, someday your dog's behavior while sparring could influence the decision that leads to a VERY big ribbon.

The dog I chose was happy to strut and flirt, he was "Indus Strike It Rich At Winsea", for Best of Sweepstakes from the Senior Puppy Male class. He had a lovely head with a long flowing neck that blended beautifully with a good top line resulting in a knock-them dead profile. Despite his handler's nagging knee, he moved with grace and strength showing off his strong reach and drive. This dog will be interesting to watch as he matures.

For Best of Opposite in Sweepstakes, I chose "Fyrebricks's Riverdance" from the Senior Puppy Bitch class. While she was new to the ring, I was pleased to see her gain confidence as the Sweepstakes progressed. I was impressed with her beautiful head, good top line and she had lots of butt behind a good tail set. While her movement was

sometimes enthusiastic, it was sound with a lovely wide rear.

A spectator took a photo of these dogs sparring, which illustrates nicely what a handsome pair these dogs made.

Congratulations to the Breeders and Owners of these lovely dogs and to the Breeders and Owners of their competitors. Every dog in the ring deserved to be there !

Thank you to all the exhibitors for showing me your dogs. It was wonderful for me as the Club President to see our youngsters full of promise and to know the future in safely in the hands of Breeders who are doing their best to preserve our breed. Well done!

Dear Dog:

When I say to move, it means go someplace else, not switch positions with each other so there are still two dogs in the way. The dishes with the paw print are yours and contain your food. The other dishes are mine and contain my food. Please note, placing a paw print in the middle of my plate and food does not stake a claim for it becoming your food and dish, nor do I find that aesthetically pleasing in the slightest.

The stairway was not designed by NASCAR and is not a racetrack. Beating me to the bottom is not the object. Tripping me doesn't help, because I fall faster than you can run.

I cannot buy anything bigger than a king size bed. I am very sorry about this. Do not think I will continue to sleep on the couch to ensure your comfort. Look at videos of dogs sleeping, they can

actually curl up in a ball. It is not necessary to sleep perpendicular to each other stretched out to the fullest extent possible. I also know that sticking tails straight out and having tongues hanging out the other end to maximize space used is nothing but doggy sarcasm.

My compact discs are not miniature Frisbees.

For the last time, there is not a secret exit from the bathroom. If by some miracle I beat you there and manage to get the door shut, it is not necessary to claw, whine, try to turn the knob, or get your paw under the edge and try to pull the door open. I must exit through the same door I entered. In addition, I have been using bathrooms for years, canine attendance is not mandatory.

The proper order is kiss me, then go smell the other dogs butt. I cannot stress this enough. It would be such a simple change for you.

Sunday, to conclude the ATCC 2003 National Specialty weekend some of us participated in an Agility Demo... and we got the crowd laughing.

## Canadian National Specialty

Calgary, Alberta August 2, 2003

The Airedale Terrier Club of Canada held its National Specialty in Calgary on August 2. The weekend was hot and sunny, with great hospitality and camaraderie among competitors. We received entries from Ontario, Saskatchewan, Alberta, the Yukon, Nebraska, Montana and Idaho. Six dogs were entered in obedience, 11 in sweepstakes and 23 in conformation.

It was wonderful to see all the National trophies in Calgary. It was a very impressive display. Thanks to the Adkinsons for bringing out the trophies and taking charge of the trophy table.

Our obedience judge was Diane Lynas from Ardrossan, Alberta. She did an excellent job for us. Once again, Don White with his lovely bitch, NightSun MoonShadow, was the obedience star.

Elaine Zemaitis, our Club President, had nine entries to judge in the Sweepstakes. She did an excellent job of judging and was very patient with some of the more rambunctious youngsters. My young dog, Ch Indus Strike it Rich at Winsea, won the Sweepstakes. Best of Opposite went to Fyrebrick's Riverdance, owned by Carey & Rhae Drijber of Lincoln, Nebraska.

Jane Harvey from Victoria, Australia judged the regular classes. She was more than thorough in judging each dog – almost too thorough! She gave every competitor ample opportunity to show off their dogs. Her husband videotaped the classes and we have been promised a copy of the video. The winner of the day was Am/Can Ch Monterra So Many Stars, bred and owned by Judy Howell of Columbia Falls, Montana. Best Opposite went to Am/Can Ch Indus Just Mad About Harry. Best of

Winners and Best Puppy went to Ch Indus Strike it Rich at Winsea, Winners Bitch went to Fyrebrick's Riverdance and an Award of Merit was presented to Ch Brea's Secret Affair.

Hospitality at the Club tent was ongoing throughout the weekend. We had a Western Welcome cocktail party and auction the evening before the show. Our Bar-B-Q was held at my home and fortunately the weather cooperated and we were able to enjoy the great outdoors. Thanks to Colin Black from the Yukon for the fabulous job he did barbequing the stakes. Once again the silent and live auction was a great success.

On Sunday, our all Airedale agility team, the Aire Cadets, put on the noon hour entertainment at the show. Our Aire Cadets organizer, Lynn Jenkins, did a great job of organizing the team and encouraging participation in the event. Our dogs had a lot of fun, the handlers weren't too embarrassed, and the crowd loved it!

The Alberta group would like to thank all of those who helped make the weekend such a success. An incredible amount of work goes into putting on specialty and we couldn't do it without the support of our many volunteers.

I think most participants went home with goodies, prizes, rosettes, new friends and good memories.

Show Co-ordinator

## A Dog's Prayer

Treat me kindly, my beloved master, for no heart in all the  
world is more grateful for kindness than the  
loving heart of me.

Do not break my spirit with a stick for though I would lick your  
hands between blows, your patience and understanding  
will more quickly teach me the things  
you would have me do.

Speak to me often, for your voice is the world's sweetest music,  
as you must know by the fierce wagging of my tail  
when your footstep falls upon my waiting ear.

When it is cold and wet, please take me inside, for I am  
now a domesticated animal, no longer used to bitter  
elements. And I ask no greater glory than the privilege  
of sitting at your feet beside the hearth. Though had you  
no home, I would rather follow you through ice and  
snow than rest upon the softest pillow in the warmest  
home in all the land, for you are my God  
and I am your devoted worshiper.

Keep my pan filled with fresh water, for although  
I should not reproach you were it dry, I cannot tell  
you when I suffer thirst. Feed me clean food, that I may  
stay well, to romp and play and do your bidding,  
to walk by your side, and stay ready and willing a  
nd able to protect you with my life should  
your life be in danger.

And beloved Master, should the great Master see fit to  
deprive me of my health or sight, do not turn me  
away from you. Rather hold me gently in your  
arms as skilled hands grant me the merciful  
boon of eternal rest- and I will leave you knowing  
with the last breath I drew, my fate was ever safest in  
your hands..

## REPORT FROM THE PRAIRIE PROVINCES

The Calgary Specialty and Winnipeg Booster show results are being reported by Pam and Helen. I will be talking about the success and the great group that put on the 2003 ATCC National Specialty. First time in 33 years that the ATCC is holding a Specialty outside Ontario. In the welcoming page of the show catalogue our President, Elaine Zemaitis, talked about the dream of the founding member's some 33 years ago to have a National Airedale club. Mission accomplished. The success of the 2003 National Specialty in Calgary proved that some determined members could make part of that dream a reality.

Years of planning from ATCC Alberta members and support from the Executive made it a fantastic place to be on a hot August weekend. The Friday night hospitality room was the place to meet old friends, new exhibitors that came from Ontario, Alberta, BC, Yukon. US visitors came in from Idaho, Montana and Nebraska. Every one had a chance to start spending money on the great auction items. So they did and Jon Helm, auctioneer extra ordinaire, made sure of it. Jon was just warming up for the other big auction that took place Saturday evening. Jon surpass him self by charming the bidders to spend big dollars. Thanks to Joanne Helm for getting the many auction donations. Joanne wasn't able to attend the weekend due to illness. We all hope you are feeling better.

A very special thank you to all the volunteers and the committee members. Nothing but praise for the Show Chair Don Fance for making sure everything ran smoothly. Show Co-coordinator Helen Arnold's endless hours working on the fine details and opening her beautiful house for the Saturday evening festivity. Andrea Easton and the crew at the hospitality tents made sure nobody went hungry. Andrea also looked after the ribbons. Special salute to the Adkinson family for their support and taking all the ATCC trophies for a cross country trip. All that work was appreciated by those that had the chance to view the trophies in one spot for the first time. A very big thank you to Fran Mester, Helene's sister and Sandy for running the kitchen like Chefs of some of the best hotels in town. From the BBQ pit, Best Chef from Whitehorse, Colin Black had those steaks sizzling to perfection. Carol Lumley, thank you for making sure that the ribbons and trophies went to the right winners and staying behind at the end of a long hot day to make sure everything was ready for the next day. Pam Sheane, great job on the show catalogue.

All of us would like to thank the people and companies for the generous donations.

The judges put all those Black and Tan through their paces. Elaine Zemaitis had 12 Airedales juveniles and one veteran. Jane Harvey from Australia had 23 dogs. She is very colorful and knowledgeable. Diane Lynas had 7 dogs in obedience. With two qualifiers. Hard work for those Airedales trialing outdoor. To many temptations!

The Best of Breed winner was: Am/Can CH. Monterra So Many Stars, Owner/Breeder/Handler Judy Howell from Montana.

Best Puppy in Sweeps: CH. Indus Strike It Rich At Winsea. Owner Helen Arnold from Calgary

The High in Trial Airedale in Open B was: Nightsun Moonshadow CDX, Owners Don and Lee White from Edmonton.

Saturday evening, President Elaine Zemaitis and myself had the privilege of presenting the Navahoe Trophy and the ATCC Medallion to

Joanne & Jon Helm for the 2002 top Conformation Airedale. BIS, multi BISS, Am. Can. Ch. Indus Just Mad About Harry.

The Bonnaventure Trophy and ATCC Medallion went to Dr. Sheena McKeegan and "Toast" OTCHX. Kingaire's Burnt Toast AGL, Bda. UD, Bda. AGN, # 1 Airedale, # 1 Terrier Group and # 3 all breeds. I think that this record will stand from a very long time. Congratulation to Toast and Sheena.

Lynn Jenkins, Don Fance, Rory Sutton put on a real crowd pleaser at noon Sunday with the legendary Agility Demo. 10 Airedales drew many cheers.

Let's support all Airedales Boosters and Specialties to keep that 33 year old dream of a National Club going. I was very proud to see 6 of our puppy owners entered in Conformation, Obedience and the Agility Demo. This will be the key to a successful National club supporting the new exhibitors.

Till next time.

## ATCC 2003 Floating Specialty News Report

### Don Adkinson

This year the big Airedale show at Kitchener on the May long weekend was not the National Specialty but the Floating Specialty which was a first for Ontario following a very successful inauguration of the event in Calgary last year. It felt the same as the National and it was very similar and it was very exciting. Roy Aitchison was the capable event chair.

This year the weather was much more co-operative and there was no snow. Friday night was a bit foggy as we drove in to find the RV parking area extremely limited due to paving of the normal area, forcing the show committee to use another very confined area in which most of the RVs were jammed. Arriving late we lucked out and ended up in the best spot in the grounds 100' from the door on pavement and beside grass. The annual sponsored circus was also being held this weekend in the same facility but in an adjacent area. Lots of people, vehicles, and traffic – in a huge modern recreational facility.

Saturday morning started badly for those who had left dogs in the building overnight as the opening instructions got lost somewhere and access wasn't possible until 7:00 am rather than 6:00 as planned. For the 8:00 am start this was not good. The hospitality tent of the Terrier Breeders club was soon operational and lots of coffee and goodies were available all day long.

It was a busy day of course with two shows for conformation entries, unfortunately no Airedales were entered in the obedience trials this year. It was great to see our friends from the US and Quebec as well as those from the extremes of Ontario. Overall attendance was apparently down somewhat for the whole show with some of this being blamed on the SARS scare which was at its height when entries closed.

This year the Host Hotel was off site and both the wine and cheese reception and the annual dinner were held there. The Wine and Cheese affair was held in a hospitality suite room which was decorated with the ATCC banner and some special auction items to be sold off here before the dinner which followed. Lots of goodies along with the wine made the socializing very pleasant while the TV in the bedroom provided entertainment for the younger ones.

The dinner fare was buffet style and was as usual tasty and plentiful. The silent auction and Chinese auction preliminaries took place before the dinner was served and again the items presented were attractive and interesting. New members, judges and visitors along with the regular members all enjoyed the action but some suspicions were aroused when several of the Chinese auction ticket winners were at the organizers table. It was great to see several past presidents of the ATCC with us including Ron Ditner and Henk Bennik as well as long time members and supporters Ellie and John Voortman. Congratulations to Sharon Lariviere for another wonderful opportunity to enjoy our friends in the dog world.

Roy Aitchison displayed his auctioneering talents and skill as he solicited, enticed and cajoled continuing bids from the enthusiastic bidders throughout the room. Treasure Debbie Klemp was kept very busy collecting the successful bidders contributions which totaled over \$1400.

Sunday was the ATCC Floating Specialty Show and the place to display the trophy table with banner and ribbons and keeper trophies. Trophy chair Sheila Adkinson had all the trophies on hand

for the Ontario director to organize and display with lots of help at the last minute, as the ring was tied up with the previous group judging until about two minutes before our scheduled start. The ring decorations, table displays etc did all get in place just before the photographers were ousted by our capable ring steward Raymond Lariviere who again kept order and action going in the ring. The show results themselves are reported elsewhere. Everyone enjoyed seeing the veterans and altered classes this year.

Before the regular show time in the afternoon, our ATCC Annual General Meeting was held at 1:00pm in a new room this year. It was a great facility for the meeting and also for the refreshment goodies offered to the attendees, as well it wasn't in the area of the circus line up as it has been in previous years. Minutes of the meeting are reported elsewhere, suffice to report here that it was capably chaired as usual by Elaine Zemaitis. Award certificates for titles earned and awards achieved in 2002 were given out to those winners present, the balance of the certificates will be mailed to those not in attendance at the meeting.

The Kitchener/Waterloo regular show for the Airedales went on as scheduled in the afternoon after which a number of the ATCC members departed having come just for the specialty. The last show of the weekend was held on Monday to conclude the festivities. Congratulations to Roy Aitchison for another ATCC Specialty show well chaired, presented, and enjoyed.

### **BIBLICAL ORIGINS OF THE DOG AND CAT**

A newly discovered chapter in the Book of Genesis has provided the answer to "Where do pets come from?"

Adam and Eve said, "Lord, when we were in the garden, you walked with us every day. Now we do not see you anymore. We are lonesome here and it is difficult for us to remember how much you love us." And God said, "No problem! I will create a companion for you that will be with you forever and who will be a reflection of my love for you, so that you will love me even when you cannot see me. Regardless of how selfish or childish or unlovable you may be, this new companion will accept you as you are and will love you as I do, in spite of yourselves." And God created a new animal to be a companion for Adam and Eve. And it was a good animal.

And God was pleased. And the new animal was pleased to be with Adam and Eve and he wagged his tail. And Adam said, "Lord, I have already named all the animals in the Kingdom and I cannot think of a name for this new animal."

God said, "No problem. Because I have created this new animal to be a reflection of my love for you, his name will be a reflection of my own

name, and you will call him DOG.

And Dog lived with Adam and Eve and was a companion to them and loved them. And they were comforted. And God was pleased. And Dog was content and wagged his tail. After a while, it came to pass that an angel came to the Lord and said, "Lord, Adam and Eve have become filled with pride. They strut and preen like peacocks and they believe they are worthy of adoration. Dog has indeed taught them that they are loved, but perhaps too well." And God said, "No problem! I will create for them a companion who will be with them forever and who will see them as they are.

The companion will remind them of their limitations, so they will know that they are not always worthy of adoration." And God created CAT to be a companion to Adam and Eve. And Cat would not obey them.

And when Adam and Eve gazed into Cat's eyes, they were reminded that they were not the supreme beings. And Adam and Eve learned humility. And they were greatly improved. And God was pleased. And Dog was happy. And Cat didn't give a shit one way or the other.
