Hi Folks,

Happy New Year !

The beginning of a new year, is an opportunity to reflect on events of the prior year, and plan for the coming year. While there have been a great many accomplishments with our Airedales, the Airedale world had to sadly say goodbye, to two long time ATCC members, whom contributed greatly to the club, am sure they will be missed ringside and by family & friends.

Seems we are off and running already, with plans for the Shows & Trials this year, with the National Specialty to be held in Kitchener, Ontario in May, and the Floating Specialty in Calgary later this summer. The respective show organizers have been working hard with venues, judges and all the other details, that promise to make these great events.

Would like to encourage members & friends, to attend the Specialties either with entries or just join in the fun and support the club, and meet fellow Airedale aficionados.

Also, the club will have a booth at the " All about Pets Expo " at the International Center in Mississauga again this year, to promote our wonderful breed. Please come visit the booth, or if able to volunteer a few hours.

Hope to see you at some of the events this year.

Cheers,

Dawn

Greetings from snowy Ontario,

Volunteers needed for our ATCC booth at "PET EXPO". It will be held on Easter weekend, April 3-5, 2015 at the International Centre. The past two years we have had a booth at the "All About Pets" show at the same location. It offers the club a great opportunity to present the breed to the public and possibly future owners/breeders. We will be located in the breeders' section of the venue. So if you have some time to donate to the booth it would be appreciated. It has been a very positive experience.

If you are able to come out to the show, please stop by and say hello.

Hope to see you there.

Annie

'Ch. Westchester Hill Boy' - 'Jeb' #1 Airedale in Canada 2014.
owned by Jan Arsenault and Bill Ashburn

Ch. Traymar's Are You Talking to Me, CGN,CD,TDX,RE
aka 'TALKER'.

'Talker' with her buddy Ch. Redpine's Cost a Grand, CGN,
RAE, AG, UD.

No. 1 Airedale in Rally Obedience

The pictures were taken in Bermuda. Her Sheltie buddy is Boo Boo's (MOTCH Redpines Blue Bi You, CGN, RAE, AG) great nephew. His name is Ch Redpine's Cost a Grand, CGN, RAE, AG, UD.

As you can see Talker is a pretty laid back girl – the couch in Bermuda is hers.

Talker has been relatively busy with her conformation championship, a CGN and titles in obedience (CD), rally (RE – 7 legs to RAG), tracking (TDX) and her first leg to a starter herding title. Like her Sheltie friend, her name keeps getting longer - ***Ch Traymar's Are You Talking to Me, CGN, CD, TDX, RE.***

She is a great dog with a wonderful temperament and great attitude who is willing to try her best (as long as it makes sense to her). She can be feisty at times, but enjoys a good cuddle and a back rub – especially in bed. It is a wonderful life with a great Airedale.

Sheena McKeegan, DVM

**Shawndee's Troubadour CD RA DD WC AGNJS, owned by Heather Faulkner.
#4 Airedale in Rally Obedience for 2014.**

With very limited trialing in 2014, True is proving that he has the Airedale versatility that I so enjoy. He not only did Rally, but finished his WC title in 2014 as well. Our goals for 2105 are our CDX in obedience, finish our RE in Rally, as well as more field work, tracking and agility. Yes, True is a busy boy and really enjoys the variety in training. Such a talented boy and only 3 years old..

'TRUE'

**Nightsun Rising Star CDX RAE AGIS AGIJS, owned by Heather Faulkner.
#1 Airedale in obedience and #3 Airedale in Rally Obedience for 2014.**

With very limited trialing in 2014 in is always nice to be in the ring with Haylee. With a happy flip of her right front paw, she lets me know she is still enjoying a few trips into the competitive ring. As Haylee's competitive career winds down, I appreciate and enjoy each trip into the ring with her.

'HAYLEE'

GCh BIS Shawndee Reese Witherspoon #2 Airedale, #1 bitch and top terrier owned by a Manitoban in 2014. She is co-owned by Aaron Andriash and breeders Carol Robson and Shelley Hawthorn.

'REESE'

'CH. VICTORIANNE MAGNETO' aka 'REIGN'
Owned by Bob & Karen Zubki & Anne Curtis

As some of the senior members of the ATCC remember, "Serendale" was started in the 60's and achieved 2 Canadian Champion females, 2 CD obedience titles and a Cdx title.

When I met Karen, I still had a female Airedale from Ron Worthington. Then after many dogless years due to us both being busy with our careers, we obtained a mixed breed terrier (Jaguar). When we decided to retire, Karen suggested that we look for an Airedale again.

We met Susan Tiller and Anne Curtis who led us to Victorianne Magneto (Reign). In a little over a year, with limited showing, he has attained his Canadian and American Championship titles and sired 11 wonderful puppies.

Although the entries at Kitchener were low all weekend, there was tough competition as shown by the various winners. Congratulations to all the winners. Although I was unable to show Reign myself due to recent health issues, we were proud that Reign was able to get our names on the BOB trophy again.

Reign is now enjoying spending some special summer time with Karen's Am. Ch. Victorianne Timeless Words (Lucy) who bosses him, keeps him busy and on his toes, not to mention keeping us busy.

Many thanks to all the judges that have made our journey so much fun and successful.

Thanks to the following people for their tips and support. Co-owner Anne Curtis, Edna & Dennis Jonck, Margery Good, William Alexander, Adam Bernardin, Margo Dupre, Jan Arsenault, Sheila and Debbie Adkinson, Susan Carter-Norwecki and Marion Murray.

Special thanks to Kate Murray for her excellent presentation and handling of Reign for us at the Kitchener shows. Most of all, thanks to my wife and co-owner Karen for all the countless hours working with Reign since he was 10 weeks old to make him not only a show dog but also one of the most lovable members of our family.

Airedales are a special breed and should be loved as much every day as the love and devotion they show us.

In July one championship made up with Trace, RZenith's Hollytroy Dragonfly, (Ch Hollytroy's Warrior Princess CGN CD x Ch Hat Trick Brisline Bo Helio), Trace will be bred later this year.

This past summer saw two youngsters in the ring, (Ch Murrayvale 'N' Hollytroy x Ch Regalridge Renaissance Man), 2015 will see both working toward their championship, with Lyric working toward her Tracking or Scent Discrimination title.

May 2014 Veronique Lefevre (RZenith Airedales) and I decided to take in our Nationals in Kitchener, first time for me in ten plus years, what an enjoyable experience. I can't tell you how proud I am of my nine year old Veteran girl , Ch Serendipity Wings Over Hollytroy for bringing home the Best Of Opposite ribbon.

In September made a little trip to Quebec to RZenith's stomping grounds to bring home a lovely 8 week old puppy by the name of Lexus, a half sister to Trace. By the way the R in front of Zenith is pronounced Aire.

Was unable to make the Montgomery weekend this year due to Coco's litter, however, just purchased the DVD and am looking forward to viewing it, congratulations to those of you who competed in this great event.

Best wishes to all for a very successful 2015.

A TRIBUTE TO JOHN ROSS IN PICTURES

Though I can't remember the exact moment I met John, I can hardly remember a time when I didn't know him when it came to my dog show "family". I started showing Airedales in 1987, and though I didn't know John at that time, it was shortly thereafter that I would get the pleasure of meeting him, his wife Lory, and daughters Tanya and Deanna.

John showed a genuine interest in Airedale Terriers and had a sweet spot for my "Mia" (BIS Can. Am. Ch. Paradym Keep Me Posted CD). He and Lory actually took her to a number of dog shows one year (the shows in which work got in the way for me), and with Lory as handler, helped make Mia one of the top Airedales in Canada. I worked with the Ross's when I could, sometimes as groomer, sometimes as photographer's assistant, occasionally as a back-up handler.

I learned a lot from both John and Lory!

John and I co-owned and co-bred several Airedale litters and had some really good success with the Tanyetta/Paradym bred Airedales over the years. He was an honest man who appreciated a good, honest dog, no matter the breed. He was a gentleman in every aspect of his life and was happy to share his knowledge and expertise in areas outside the dog world, like how to attract birds to your feeder and how to work with varied photographic equipment.

John was a friend who shared many of the interests that I do: dogs, nature and photography especially. Thank you John, for sharing your friendship and mentorship with me. I will not forget you!

What city and Province are you from:

Orangeville, Ontario

What breed(s) have you bred or shown?

Old English Sheepdogs, PBGV's, Lakeland Terrier, Irish Wolfhound & Whippet.

When did you start judging?

1981, All Breed 2001.

What Group did you start with and at what point did you add Group 4/Airedales?

Herding 1st, 1999 first half Terriers.

Have you ever placed an Airedale in the Group or Best in Show?

Yes.

What do you like about today's Airedales?

Improved coat quality, presentation, correct size.

Please compare the Airedales you've judged (in USA, in Canada, other countries?)

Very similar in quality.

When you are looking at a line-up of Airedales for the first time, what catches your eye, or what is your first impression?

An alert, strong, sturdy muscular dog who gives the impression of owning the ring.

What is the most important for you when looking at Airedales in a Show ring (movement, expression, conformation...)?

Looks like an Airedale with the general characteristics, expression, conformation and movement.

ATCC Breeder's

Guidelines of Responsibility

All members of the ATCC Breeders' Referral List have agreed to the following Guidelines of Responsibility.

- 1) As a member of the Breeders' Referral List, I understand that my primary responsibility is to provide information on the characteristics and properties of the breed to interested individuals. I understand further, that I am a representative of the Airedale Terrier Club of Canada and that the image I present reflects on the organization as a whole. I agree to act in a responsible and courteous manner when dealing with those seeking information or puppies.
- 2) I will provide CKC registered Airedale Terriers for sale. I will strive to breed only those dogs that possess the qualities described by the CKC Standard of the Breed, attempting to prevent genetic diseases that may cause a dog to become crippled, blind, allergic, or otherwise disabled.
- 3) As a member of the Breeders' Referral List, I specifically agree to the following:
 - a) I will not make misleading or untruthful statements in selling or advertising.
 - b) I will not sell or donate individual dogs or litter lots to commercial dog wholesalers, retailers pet shops, for resale or "give-away" to the public.
 - c) I will not knowingly, allow any dog I have bred or caused to be bred to be placed at auction, raffle, chance or placed by any means other than direct sale to the person or family who intends to keep the dog for their own.
 - d) I will not deliberately degrade any fancier, their dogs, or their kennel.
 - e) I will not sell any puppy or allow it to be placed in a new home before the age of 49 days.
 - f) I will maintain high standards in the care and breeding of my dogs.
 - g) I will help educate the purchaser in the standard care, grooming and other areas in which I am qualified.
 - h) I will provide each buyer basic diet and care information.
- 4) As a member of the Breeders' Referral List, I agree to be a resource for buyers of puppies or older dogs that I have sold for the life of the dog. Being a resource includes, but is not necessarily limited to providing information, answering questions, and making suggestions as to where buyers may obtain additional information.

_____ Initial
- 5) As a member of the Breeders' Referral List, I acknowledge that when dealing with persons, whether or not they were referred to me by this list, involving the sale or exchange of puppies or adult dogs, I will comply with the following requirements. I understand that documented proof of failure to

comply with the provisions of this paragraph can result in my removal from the Breeders' Referral List:

- a) At time of sale, I will register the dog with the CKC.
 - b) I will process the dog's registration with a Non-Breeding contract for pet homes to prevent the dog being used at a later date for breeding purposes. A written statement or written explanation is provided that makes the new owner aware of when and under what conditions, the non-breeding contract may be waived. A written certification is provided that identifies the exact date of birth, and the registration numbers of the Sire and Dam.
 - c) At time of sale, I will provide the buyer with a written, three-generation (minimum) pedigree.
 - d) At the time of sale, I will provide the buyer with a health record that identifies any vaccinations delivered up to the date of sale. If no vaccinations have been administered, then a written statement to that effect must be provided.
- 6) **ATCC strongly recommends that breeders provide each buyer with a specific window of opportunity during which to have the puppy or dog to be examined by a licensed veterinarian, at the buyer's expense, and then, upon written recommendation of the veterinarian for specific reasons, return the puppy or dog to the seller for a full refund of all money paid. One of the following two conditions must be met:**
- I.** If you offer such a period of time, the period must not be shorter than 48 hours (72-96 hours recommended) and must include at least two full, normal, eight-hour business days, or
 - II.** If no such period of time is provided, then a written statement to that effect must be provided.

* The above rules concerning CKC registration and pedigrees do not apply to Airedales that are rescued and prepared for adoption through the AireCanada.

UPDATE ON VOTE – AMENDMENT TO THE AIREDALE BREED STANDARD – SECTION # 11

As per the final part of CKC process (RG002), wherein the proposal is published for comment by the CKC and then on to the next Board of Directors meeting for discussion and final approval.

At the September 2014 Board meeting, “the breed amendment for Airedale Terrier was approved “

Section 11 (Tail) reads: The root of the tail should be set well up on the back. It should be carried gaily and be of good strength and substance
