**HAPPY THANKSGIVING
TO ALL!**

Snuggles with Santa Wadsworth

From the President

This is definitely a new era for the Airedale Terrier Club of Canada! We have a regionally diverse executive and, although I feel we are a little slow to get up to speed, I hope we can add some new life and energy to our Club in all regions of the country.

We have some long-time members who have been stalwart supporters of the organization and are stepping down from 'official' positions in the Club. I would like to thank Debbie Klemp and Pat Reed for their many, many years of service. I hope we can count on their experience (and help) in the future, as I am sure we will need their sage advice in many aspects of running this Club. There are many other past executive members in the background who continue to help us out with their wisdom.

We finally have a new newsletter editor! We have been on a search for someone like her for about 3 years. Please welcome Jacqui Hayes from central BC. Jacqui is an Airedale enthusiast, has desktop publishing experience and has volunteered for this position. So, please support her with your quirky Airedale tales, pictures, brags, litter announcements, show wins, new champions, etc. You can reach her at: airedale1@airspeedwireless.ca. Being in central BC where internet service is not always reliable, it is a good idea to confirm with her that she got your information.

We have a new director in Ontario – Peter Phillips. Peter, with the help of Marion Murray – our 1st VP, recently put on a great Fun Day in Ontario. From all accounts, it was not only a fun event for the participants, but also a pretty good fund raiser!

In the far west, Joanne Helm has relocated to Vancouver Island and has taken on the position of the BC director. She is already gathering a group of ADT enthusiasts and for the first time in a number of years, there are 7 Airedales entered at the Tradex show in Abbotsford, BC at the end of October. This is the largest indoor show in Canada and it is great to see an Airedale entry again.

Please welcome Jan Arsenault as our Club's Puppy Referral Program volunteer. Not only that, she helped orchestrate the Floating Specialty at the Kitchener-Waterloo show in May this year and will also be the Chairman for our National Specialty at that show in 2011.

We are always looking for volunteers, so if there is an area you are interested in, please contact one of the executive. This Club and its activities would not and could not exist without the support of our volunteers, long-time members – to say nothing of their families & friends. Thank you to all!

Personally, I look forward to working with a number of you for the next couple of years – and hopefully meeting many of you at Airedale events!

Helen

Helen Arnold, President
Airedale Terrier Club of Canada

Hi All:

My husband and I are currently owned by 6 wonderful Airedales...5 girls and 1 boy. Our Kennel name is 'Tappenaire'. We have been showing now for 2 years and our dogs travel in the very capable hands of Stu and Joy Gladstone who do a wonderful job of grooming and handling for us.

I do hope to meet more of the members in the future at the shows.

There isn't much else to tell other than I am pleased to now be the editor of the 'King's Herald'.

As most of you know, Indus Kennels relocated to Curteis Point at North Sannich, BC on Vancouver Island.

In the spring of this year we showed and finished two Airedales. **Ch. Indus Ready or Not** finished at the Black Creek Show (Sire: Ch. Indus Tallyman, Dam: Am. Ch. Terrydale No Doubt). My young male **Ch. Rossignol's Gabriel to Indus** (Sire: Am. Can. Ch. Indus Jailhouse Rock; Dam: Rossignol She's A Rebel) finished with a Group 4th placement at Black Creek under respected breeder Judge Nancy Popovich. Indus Kennels Can. Am. Ch. Terrydale HK Mary Quite Contrary has had a litter of ten pups. (6 females and 4 males). Mary was bred to Can. Ch. Rossignol's Gabriel to Indus.

Larry and Jacqui Hayes finished their boy Am. Can. Ch. Reydaleterrydale Invincible (Sire: Int.I, Eng., Am. Ch. Stargus Galileo; Dam: Am. Ch. Reydaleterrydale Return to Me). He finished at the Vernon Kennel Club Show in Vernon, BC, under respected Terrier Judge Mr. Karsten Kaemling; and on Sunday Vince finished the weekend with a Group 3rd under respected Judge Mrs. Saranchuk. Earlier in the season, Vince took BOB at the Terrier Breeders Specialty and a Group 4th under respected Judge Mr. John Rowton at the Edmonton Show. He was beautifully groomed and handled by Stu Gladstone. Tappenaire had a beautiful litter again this year; Sire Am. Can. Ch. Reydaleterrydale Invincible x Dam: Skydale's Hi Flyin' Angel.

I have organized an 'Airedale Lover's Dinner' at the Lower Mainland Show being held at the Tradex. There will be a good entry of Airedales this year for the first time in quite awhile. There will also be a dinner for Airedale owners and show people to support **AIRECANADA** which is the National Airedale Rescue Organization. This will be the first of many **AIREDALE TERRIER LOVER'S DINNERS**, with a silent auction and other surprises to benefit AireCanada our national Airedale Rescue Association.

Details for the dinner:

Crossroads Restaurant,
1821 Sumas Way, Abbotsford (604-852-1614)
Friday Oct. 29, 6 – 9 PM.

ONTARIO REPORT

Marian Murray IngleValley Airedales
Peter Phillips Magwitch Airedales

Hi All!

This year at the Ontario fun day we literally had a FUN DAY.....which was held September 19th, 2010 in Burlington, Ontario.

This year, Peter Phillips invited Barbara Durance from AireCanada Rescue to put up a booth. We had never done that before. Barb sold trinkets and tickets for the quilt. It was an opportunity for Canadians to buy a ticket for the famous Quilts being made by a group of volunteers from the USA and Canada. The funds raised support ATRA in the US. The quilts are fantastic and the draw is held after the Best of Breed competition at Montgomery with the quilt actually being shown in the ring. The ATCA(Airedale Terrier Club of America) supports rescue by allowing this draw on their time. The quilts have raised over \$135,000 for rescue since their inception in 1999.

At our fun day we had a photo booth where you could get your picture taken with your Airedale using a Best in Show Rosette that said "Best In Backyard" We used the ATCC banner as a back

drop. It went over quite well and we raised \$55. This was another first for the fun day.

The raffle basket was filled with fabulous doggie related items was a hit and raised \$255. We also had a door prize basket that was given away in a draw to anyone who registered on arrival.

The next best thing on the agenda was the Silent Auction for which I was the Auctioneer. We had some wonderful, exciting items and I think just about everybody had a nice purchase to take home with them. The auction raised \$515.

We also had the Best Dressed Costume game which was won by Rona Toth and her new puppy named Brooklyn. Brooklyn was a well dressed surgical nurse, with face mask and scrubs to boot!!

Karen Green organized the games which were a great success.

Then of course the food -- lots and lots of food and desserts donated by guests. Three nice men, Saul Zemaitis, Bob Reed and Tony Lancia were in charge of barbequing -- the important part of the meal.

We had a head count attendance from 55-75 people, together with their 'dales coming and going.

We will be looking forward to another year to repeat the success of this Fun Day in September 2011. Hopefully members will spread the news and we will be able to meet and greet the regulars as well as many other Airedale enthusiasts.

I had a great time as I know everybody else did.....so next year, let us make it bigger and it can always be better than the year before. I already have a wonderful donation from one of my puppy clients for the 2011 Auction. If we can all start thinking of putting aside some great items, gift baskets are a hit..... for the silent auction it will be appreciated. If anybody has any new ideas to add to next years Fun Day, our ears are wide open for any and all new suggestions!!

Our, thank you's , go out to:

- Garry Clark for his photography and
- e-mailing pictures out to those that purchased
- Jan Arsenault for manning the sign in book and taking care of the Door Prize
- Shelia Atkinson for donating the Door Prize
- Everybody who donated their beautiful items to the Silent Auction - I know everybody loved their purchases
- Everyone who donated food and treats for our pot luck table .
- Margaret Saltzman for judging the Best Dressed contest .
- Pat Morris for selling the raffle tickets
- Elaine Zemaitis for the pens, paper plates, knives, game prizes. Elaine also donated the raffle basket and spent a lot of time providing Peter with information on past fun days .

Debbie Klemp for arranging the permit for the park .It a wonderful place for an event like this .

Dean Phillips for designing and producing the 49 th Annual Fun Day flyer.

- My husband, Mike, for getting me to the fun day and taking charge of the money from the Silent Auction
- Peter Phillips for organizing the fun day and helping me get the word out about the Fun Day

On behalf of the Airedale Terrier Club of Canada, we look forward to meeting you again, along with new friends next September, 2011.

Cheers,

The AireCanada Report: 2010

AireCanada Can Help!

Sometimes, with the best will in the world, owners simply cannot keep that pup they so happily purchased last year or several years ago. A job may have been lost or a transfer to a dog-unfriendly city may have occurred. Perhaps the addition of children to a household has left little time for the family Airedale. The owner could have developed an unexpected illness that precludes his or her ability to look after the dog. A myriad of reasons can account for an Airedale losing his or her home.

AireCanada applauds the fact that many breeders are supportive of the Airedales they breed for the dog's entire life. Of course, this support may, occasionally, mean that an adult dog is returned to these breeders. Since most breeders maintain lists of people wanting to buy puppies, they frequently do not have available homes for older animals. If you have a return and are at a loss for a suitable home, please contact your nearest AireCanada Coordinator.

AireCanada has assisted numerous breeders to find homes for such dogs. Go to our website, www.airecanada.com, to click on the Contact Us information. We will do our best to help you. (Note, though, that we are unable to help you sell your dog . . . only to place the Airedale in a good home. Most breeders who take advantage of this service ask the adoptive home to donate a nominal sum to AireCanada to help us continue our work.)

It's all About Cooperation: a Bittersweet Rescue

Two year old Buddy came to AireCanada's attention when National Airedale Rescue in the US alerted us to a Kijiji advertisement offering an Airedale "free to a good home" several hundred miles from Vancouver. Upon investigation, it appeared the owner was desperate to find a situation for her dog who would otherwise be shot for running game. Her property, of course, lacked fencing. She refused to deal with AireCanada, however, as she felt rescue was only for "abused

dogs" and her dog was not abused.

Wanting to ensure Buddy's safety, we got very busy. Several of our volunteers were enlisted as well as a woman in the area who had recently adopted an Airedale from us. I became involved as well despite being way out of the area where the dog was located. The final result of some very hard work by a number of dedicated Airedale people was the discovery of an excellent family with three older children and a female Airedale. They stepped up to the plate to save Buddy's life. Just before Christmas, Dad drove a considerable distance to collect Buddy. He brought him home and the entire family fell in love with this gentle giant.

Buddy had a splendid Christmas. Instead of a bullet to the head, his Christmas gift was an appeal to AireCanada by the family to adopt Buddy.

Then came the bad news. A visit to the vet resulted in a diagnosis of serious heart disease. Buddy had a major heart murmur and a thinning of his heart wall.

On Feb. 15, Buddy's heart failed and he crossed the Rainbow Bridge in the arms of the oldest child, his best "Buddy".

Buddy's new family has a lot of class: despite mourning Buddy deeply, they still found room in their hearts to thank AireCanada for asking them to save Buddy. Buddy, they say, came to live with them for a short time for a purpose. They have asked for another Airedale when one becomes available. . . . and one did! Puppy Teddy, who arrived in rescue this summer, is now enjoying life with this fine family!

Safe & Happy!

Since Aug. 1, 2009, 38 Airedales have found safe and happy homes as a result of AireCanada's work., 13 more than during the previous year.

Each of these dogs required veterinary care (some costly and extensive), microchipping and other services. Donations to help us continue bringing Airedales such as these 38 to safe, happy

homes are always welcome. We applaud nine year old Ray Matthews of Calgary who requested donations to AireCanada rather than gifts to celebrate his birthday this year. He raised \$70 to help rescued Airedales!

If you wish to donate to AireCanada, donations may be sent to our treasurer:

Jim Scott, Treasurer,
AireCanada Airedale Rescue Network
1025 Ogden St.
Coquitlam, BC
V3C 3V8

Please make cheques payable to
"AireCanada Rescue".

The Airedales thank you . . . and so do we.

Ginette Miron of Princedale Kennels has given us a couple of recipes for doggie biscuits.

Homemade dog cookies

Cheddar Biscuits

2 cups flour
1 T baking powder
1/2 tsp. salt
1 1/2 cups grated cheddar
1 1/2 cups heavy cream Mix,
Bake 17 minutes at 425 F.

K-9 Peanut Butter Cookies

1 1/2 cups whole wheat flour
1 T baking powder
1 cup milk
1/2 cup flour
1 cup Peanut butter

Mix with hands, roll out on floured surface.

Cut into tasty shapes.
Bake 350 F 20-25 minutes

CHEESE COOKIES

2 cups flour
1 1/2 Shredded Cheddar cheese
1/4 t garlic powder
1/2 c veg oil
5 T water
2 eggs
Mix and cut into tasty shapes.
Bake at 400F for 15 minutes.

Dog Biscuits

3/4 cup powdered skim milk
1/2 cup cornmeal
1/4 cup bulgur (bulghur) wheat
2-1/4 cups whole wheat flour

1 chicken bouillon cube
1-1/2 cups boiling water
1 cup rolled oats
1 egg, beaten
Combine powdered skim milk, cornmeal, bulgur and flour and set aside.

In large mixing bowl, dissolve bouillon cube in boiling water. Add oats and let stand about 5 minutes. Stir in beaten egg.

Gradually stir in dry ingredients, half a cup at a time, until well blended. The last few cupfuls, blend with your hands. (note: if you have a good stand mixer, you can just use that and it works just as well)

Divide dough into 2 balls so it is easy to work with.

Knead each dough ball on a floured surface about 5 minutes. (see note above - if you have a good stand mixer, just knead with it.)

With a rolling pin, roll dough to 1/4 to 1/2 inch thickness. Cut into desired shape and place on baking sheet lined with parchment paper. (note: do not use foil - biscuits will burn!)

Bake 50-60 minutes at 325 degrees. Turn oven off and let biscuits cool overnight in the oven. I usually check them; if not hard enough, leave them all day, and they should be hard enough after that.

Be sure biscuits are completely cool before storing. Store at room temperature in a glass or ceramic jar with a loose fitting lid. They should keep about 3 weeks, but since they do not have any preservatives, check to be sure they are not moldy

They also can be refrigerated or frozen.
Enjoy!!
